Marianne,

Michelle has not responded yet. Chairman Wheeler is coming to Seattle today, Wenona and Chris talked about this letter this morning, I do not have details on the discussion.

Pam, did Michelle already respond re: this one?

If no, I think it would be Elizabeth McKenna in ORC as lead in writing the response for Chris' signature. Elizabeth could then coordinate w/programs on the response.

Thanks!

Marianne

FYI,

Which Division should draft the response? Chris' signature correct?

Pam

Hi Pam, I just got this letter this afternoon. Could you please print it out for Chris? He will want to read it before Chairman Wheeler arrives tomorrow, if he hasn't already. Also will need STR/CMS entry
I plan to be in the office tomorrow around 8am and hopefully can catch up with Chris sometime in the morning as well.

Thanks
Wenona

Attached is the Nez Perce Tribe's objection to the Environmental Protection Agency allowing the Shoshone-Bannock Tribes' participation as a signatory to an administrative settlement agreement for the proposed Stibnite Mine Remedial Investigation and Feasibility Study. Please let me know if you are unable to open the attached pdf document. Thank you.
